Spiritual New Year's Resolutions

By: John Isaac Edwards,
Church of Christ, Indianapolis

With the coming of a new year, perhaps you've made some resolutions. It's a good time to resolve to do some things of a spiritual nature. Let me suggest some ways we may resolve to do:

1) Be a Better Christian.

What better way to start off the new year than by being a better Christian. Let this be the time that you become a better Christian by hearing, believing, and obeying the gospel.

2) Return.

There are sheep who have wandered away from the flock that need to come home. If this time finds you out of step with the Savior, we plead with you to now return.

3) Be At Every Service.

It's a good time to attend every service of the Lord's church. This is part of putting first things first as Jesus taught. Let us go into the house of the

Lord. Make it your aim to have perfect attendance this year and see how much you "...grow in grace, and in the knowledge of our Lord and Savior".

4) Read the Bible Daily.

It's a good time to start a daily Bible reading schedule. Daily Scripture searching helps one to keep from being misled and grow as a child of GOD.

5) Pray Always.

How about worrying less and praying more in the new year? Paul declared, "Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God".

6) Win One to the Lord.

Since he that wins souls is wise, how about making it your resolution to find one and win one to the Lord. Find one and bring him to Jesus. Think what it would do to the church, if each of us would do that!

7) Be Given to Hospitality.

Christians in the first century were found breaking bread from house to house. How about opening up your home for such occasions? We find a

way to do what we want to do, right? "Use hospitality one to another without grudging".

8) Go to Heaven.

Let's make it our spiritual resolution to live in such a way as to go to Heaven. This requires keeping the Lord's commandments as John said, "Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city". Let's be firmly determined to do the will of the Lord **this year!**

Starting in 2026 the
Presbytids will only
be published every other
month.

UPDATE: THE BURWELL BUILDING, ALSO KNOWN AS THE LOY BUILDING, has been a landmark in Downtown Gibson City. Originally serving as the town's first Opera House, it housed various lo- cal businesses that contributed to the town’s growth. Over the decades, the building’s architecture and design have made it a symbol of Gibson City’s past. Preserving this building is more than just maintaining bricks and mortar; it is about keeping a tangible connection to the com- munity’s roots. The goal of the Restoration Association is to fully re- store the 140+ year old former Opera House. Our work is being broken down into stages on the advice of our architectural engineer.

- The first phase is to repair/restore the outside of the building to pre- vent further deterioration of existing construction and address existing building conditions. This is the phase we are currently in.
- The second phase is to restore the main floor into a usable space with restrooms, storage area, and a small prep kitchen. This will allow the Association to rent out this space to provide income needed to restore the second floor.
- The third phase will be to restore the upstairs opera house into an event venue with overnight accommodation space.

Current Restoration Progress since the creation of the restoration asso- ciation 5 years ago:

- Purchased the building in 2021 at a cost of \$8,00
- Demolished the back addition that was in a state of disrepair
- Repaired the crumbling parapet walls on the roof
- Completely tore off the old roof and replaced it with a new membrane roof
- Had new gutters installed to help move that rainwater away from the walls
- Completely tore down the west wall and replaced it with a new concrete block wall
- Painted the new concrete block west wall a soothing slate grey color
- Installed a new double door on the first floor in the back of the building
- Tuckpointed the South Wall
- Purchased new windows for the South and West wall

Our church continues to show support for this group led by Sharon Heavilin, President and their continued effort to restore this historic building.

GOD'S PLAN is always the BEST!

SOMETIME
By: Mike Hastings

Sometimes we don't understand
The things life sends our way.
Is it part of God's great plan
And how long will it stay?

What must God be thinking
To allow this kind of pain?
What can be His purpose
And how are we to gain?

How can our hearts keep beating
When our minds can't find relief?
Why is happiness so fleeting
Despite all of our belief?

Is it just some kind of test
That we must pass or fail?
To see if we still trust in God
When doubts start to assail.

Why me, why us, we often ask.
What have we done so wrong?
That life should treat us as it does
When we're really not that strong.

Now, no one person has the answer
To this path of life we trod.
Except the One all knowing
And that's our Father God!

See, He too shares our sorrow,
He too shares our grief.
Yesterday, today, tomorrow
He is there to bring relief.

He may not give the answers
That we so long to hear.
But He's there to love and listen
For we always have His ear.

It's faith in Him that sees us through
As fear of tomorrow climbs.
We just must put our trust in Him
Though we don't understand sometimes.

So when this world weighs you down,
With it's heartaches and demands,
In all ways remember this
He still has us in His plans.

Thank you Elizabeth Cope for changing our front outside sign.

Sharla Williams recently made a trip to visit her brother Lance Williams in Scottsdale Arizona. Here they are pictured at a Top Golf Sports Venue and later having dinner with some of Lance’s friends.

CHRISTMAS PARADE

As one of the sponsors of this year's Gibson City Lighted Christmas parade, we were assigned the most appropriate float showing baby Jesus being held in God's hands.

The Gibson City's Lighted Christmas Parade was a huge success and enjoyed by many members of our church. The Gibson City Restoration Committee was serving hot chocolate and hot apple cider in the Loy Building and provided a great backdrop for holiday pictures with all their lovely Christmas trees filling their windows.
